

My pages Terra.is

- Instructions-

Customers of the following companies can apply for access to my sites:

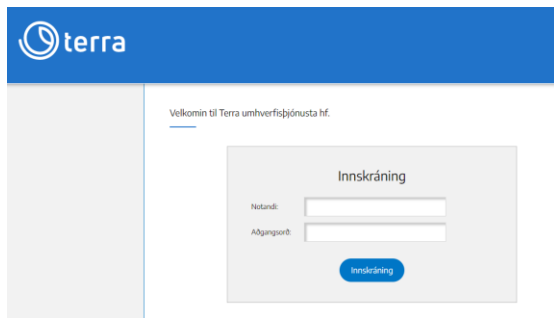

[Terra Umhverfisþjónusta hf](#)

[Terra Einingar ehf](#)

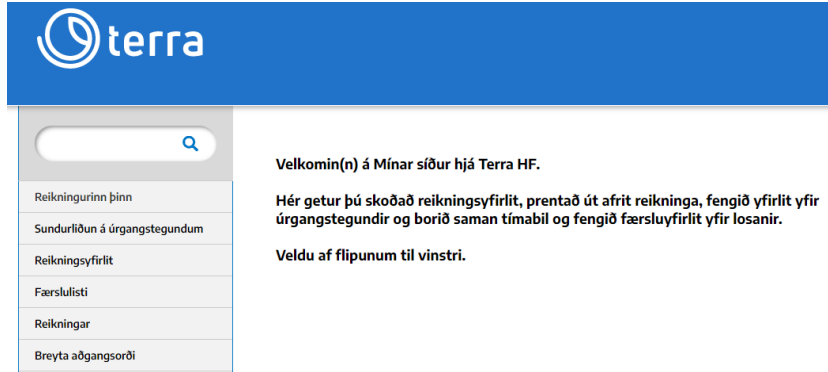

[Terra Norðurland ehf](#)

If the user does not have access, you can click on "apply for web access" or send an e-mail to terra@terra.is to get a username and password. The company ID number must be provided.

[Apply for web access](#)

After a customer has logged in to my pages, this window will open.

The following options can be selected:

Breakdown of waste types

Compares the amount of waste in different periods from different workshops.

Account statement

Displays a summary of deposits and sales invoices for a specific period.

My pages Terra.is

- Instructions-

List of entries

An overview of services that have been performed during a certain period. Manages the dates, times of services and the amount of waste. A list of containers and containers used by customers is also kept, and the number of rental days is specified.

Bills

An overview of the customer's invoices where each workshop / project / project number receives a separate invoice.

Change password

User can change their password.
